

LEGEND AND SUMMARY OF BEC LIME TRAIL

LIME 3.2 Mi  one-way trail to French Broad River Bridge

LIME: The **LIME** trail is one-way trail from the outdoor arena to French Broad River bridge to the West Range of the estate. The trail is primarily used to access the equestrian trails on the West Range that are used for special events. The trail can also be ridden in combination with the other trails on the east side. See the descriptions for the **LIME, PURPLE, WHITE RETURN** loop and the **LIME, PURPLE, RED RETURN** loop as examples. From east side of the outdoor riding arena, take the gravel road that turns left toward the BEC barns to start the loop. Turn left at next intersection at BEC parking area, go out to intersection with River Rd. and turn right downstream. Go past *Day Trailer Parking* in 0.5 miles from the start. (Riders may also start downstream from the river side of the outdoor riding arena on the River Road.) Continue on River Road and then in about ½ mile veer slightly right to go through large field, cross a wooden bridge, and go between the lagoon and the river. This is a busy area with hikers, bikers, and other guests. *You must walk or trot slowly passing the lagoon.* Enjoy the views of the Biltmore House, often reflected in the lagoon. Continue past Big Rock on the paved road and then follow the bike path and River Rd. to the French Broad River bridge. For a 4.6 mile return from the French Broad Bridge, turn around and follow Purple and then White arrows. You can also continue straight past the bridge on White River trail for a longer ride, returning to the arena in 10.7 miles from the bridge.

STARTING AT DAY TRAILING PARKING (0.4 Mi). The **LIME** trail can be accessed where the trail passes the *Day Trailer Parking* area along River Rd 0.4 miles from start at the outdoor arena. From the Day Trailer Parking area, it is 2.8 miles to the French Broad River Bridge.
