The Biltmore Equestrian Center located on the grounds of George Vanderbilt's historic Estate in Asheville, NC, will host the twenty-seventh "annual" (except for Covid, floods....) Biltmore Challenge Endurance Ride on May 3 and 4, 2024. Two days of competition will be offered: Friday, with distances of 25 and 50 miles; and Saturday with distances of 30, 55, 75, and 100 miles. All riders will be entered in the AERC Open or Limited Distance category. The 100-mile ride also offers the Arabian Horse Association (AHA) Region 12 100-mile Championship for 2024. In addition, we will have team competition in all distances.

Built in 1895, the Estate trails promise a challenging ride along the French Broad River and over rolling hills and low mountains. We recommend that all horses have hoof protection, and potentially pad at the 50, 75 and 100 mile distances. Breast collars/cruppers may be helpful. Each loop will circle back to a central judging area adjacent to the main camping area. Weather is somewhat unpredictable in early May, but it is usually humid with temperatures in the upper 70s to low 80s.

Once again, we will be using trails on the West Side of the French Broad with some excellent views of the House. At this time, we have over 40 miles of marked trail on the West Side that we exploit.

Length of Stay Passes. As part of the need for security on the Estate, and to provide a more official mode of access for attendees to the Estate grounds, entry will require a name pre-supplied to the gate guards. Entry fees for the ride automatically include the rider and one named crew member for the 'gate list' for each day ridden. **For the 75-mile and 100-mile rides, the entry fees extend to two named crew members on the 'gate list'.** Entry must be via the main gate. On the Estate, including at the ride site, colored wristbands will be required to be worn as visible proof of permission, and can be used for re-entry. Additional permits may be purchased for \$55 each. *Note: Children 16 years old and under are free, but still must be on the gate list and wear the wristbands.*

ENTRY FORMS/PAYMENT: Please return entry form and signed waiver, if not already done, with your full fee. **All entry fees are due by April 26, 2024 (closing date).** That is, any entry not fully paid by April 26 is accepted only at management discretion (not guaranteed, and \$40 late fee will apply). Fees are *fully* refundable if cancelled prior to April 27 close of business; then except for \$50 through April 28, then 50% if between April 29 and May 1 (but pre-arrival). After that, at management discretion. You **MUST** supply Coggins test papers valid through May 5, 2024 in advance (paper, scan, photo, all accepted). Non-AERC members must pay day fee of \$15. Entry and payment by credit card is preferred – no extra fees. <https://www.biltmore.com/equestrian-center/events/>.

AHA REGION 12 100-MILE CHAMPIONSHIP: separate release needed, separate qualifications: check the ride web site for details.

TEAM COMPETITION: Open to all riders in all competitions across both days. So, form your own team of three or four riders, with time for the top three finishers on each team counting towards awards. This is a good opportunity to practice team riding.... Check out how strategy and opportunities change in this environment! Entry at ride, no additional fees. At least two teams must be formed at a distance to qualify for a team competition.

CAMP: Camping is primitive in large open pastures. Corrals are limited to 15' by 15'. No camper hook-ups; city water at hydrants; Portajons. Open fires are prohibited; charcoal grills OK. Dogs **MUST** be ON LEASH with you or corralled at all times and confined (not tied) when you are riding. Multiple motels / restaurants within 2 miles. On first-call-to-reserve basis, we have 6 stalls @ \$50/day in the Guest Barn including shavings and muck-out, some large paddocks @ \$30/day/horse (about ½ mile from camp) and some paddocks @ \$50 day/horse close to the action, 6 pipe pens @ \$20/day. An open-air barn is open close to the action at \$50 / horse / day, no shavings, no muck-out. The Biltmore Equestrian Center phone is: 828–225-1454.

Nominally, three nights of camping are included in a ride fee. If your rig horses plan on multiple days competition, up to four nights camping are included in two days ride fees. For example, horse 1 in the rig goes Friday and horse 2 goes Saturday, camping from Wednesday through Saturday nights are covered.

Camp opens on Wednesday, May 1. If you plan to arrive earlier, please indicate it with your entry and pay extra camping and trail fees. All entry to the grounds will be through the MAIN GATE of Biltmore Estate (open 24 hrs). Everyone will also exit through the main gate. If you have extra vehicle(s) driving with you, please note driver name with your entry. *All entering the Estate must have individual names on the Gate List ahead of time.*

DIRECTIONS TO CAMP: If approaching Asheville from the EAST on I-40, take Exit 50B, US 25 NORTH. Follow signs to entrance to Biltmore Estate, turning right off exit ramp and moving into the LEFT lane to prepare for the turn into Estate Entrance.

JUDGING CRITERIA: Control checks will all be 'gate into hold', with 64 pulse requirement, unless control judge staff determines otherwise. For non-finish checks, the equine must meet this criteria within 30 min of arrival at check or be disqualified. Horses must be judged 'fit to continue'. Other criteria, including exit exam, may be included and would be announced either in rider packet or at rider meeting if weather is a factor.

Finishing criteria will be Fit to Continue including recovery. For AERC open completion, recovery is to pulse rate of 64 within time limit described below. As soon as pulse is down, the equine may be brought for the final exam, but MUST be presented within the allotted time to avoid disqualification. Allowance for finish line at 1.2 miles from vetting arena: per AERC rule 6.2: after the walk back to camp all pulses must be down within 30 minutes. 20 minutes allowance for the walk has been agreed between ride management and the head control judge. SO: for all open competitors (non-limited distance) in the open endurance events, the net time post-finish line to get your pulse is 50 minutes. This is allowed at the final discretion of the Veterinary Commission and finalized at the rider briefing, and in the Program of the event. Equines have up to an hour post-finish line to pass non-pulse criteria (that is 10 extra minutes to a net of one hour).

Cardiac Recovery Index (CRI) may be used, including final vetting and Best Condition.

JUDGE DECISIONS ARE FINAL!

FIT TO CONTINUE: The equine must be metabolically stable. There must be no gait aberration that is consistently observable under all circumstances that results in pain or threatens immediate athletic performance, exam to be conducted at trot (or equivalent), straight out and back, without prior flexion or palpation. Any soreness or wounds that affect equine's ability to go on may be cause for non-completion.

An equine may not have received prohibited (AERC Rule 13) medical treatment by a vet or layman prior to final exam. An equine must not be in need of medical treatment for a soundness or metabolic problem. An equine that a ride control judge advises should be treated, but treatment is refused by rider or owner, shall be considered in the same light as an equine that has been treated and disallowed completion.

FARRIER: Mountain Farrier Service / Jeff Pauley will be the ride farrier. He or a colleague will be on the grounds during rides Friday and Saturday (til around 6pm). **To make an appointment in advance please call Jeff at 828 712 2343.**
